

Spacers Threaded - Imperial

Secure means of supporting PCB

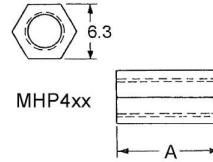

• Versatile with easy removal

• Useful for stacking PC boards

For Imperial thread applications

Female/ Female

Length A mm	M3 Part No.
6.3	02-MHP306
9.5	02-MHP310
11.1	02-MHP311
11.1	02-MHP311B*

UNC Threads

Versatile range of components

• Scaling up to 50.8mm

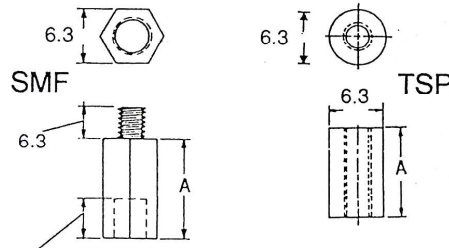

A range of UNC screws, nuts, washers and clearance spacers are available to give considerable flexibility as well as a good finish.

Male/Female

Length A mm	UNC 6-32 Part No.
